Dear Parents/Guardians,

Thank you for your interest in All Saints Catholic Academy.

The mission of All Saints Catholic Academy is to provide faith formation and quality education in a Catholic School setting. Our faith based curriculum is what sets us apart from the public schools. Students, faculty, staff and parents work together to create an atmosphere of mutual respect. We strive to develop an environment of where each child senses his/her innate value and where each child develops to his/her fullest potential. The learning process is guided by dedicated, committed, qualified faculty members who view learning as a life long process. Each teacher knows his/her students and attempts to instill in them a true love of God and neighbor and a love of learning.

All students participate in daily prayer and Religion classes. Students also join together as a faith community in all Prayer Services or Mass held during the school day. Faith Formation is the primary purpose for our existence. We support our parents who are the primary educators and role models of faith formation.
