
ALL SAINTS CATHOLIC ACADEMY POWERSCHOOL MEMORANDUM

TO: PARENTS/GUARDIANS
FROM: SR. RITA FRITZEN
SUBJECT: POWER SCHOOL UPDATE
DATE: SEPTEMBER 21, 2016

The Archdiocese has upgraded to a newer version of Power School. Therefore, before you can get into your child's Power School account you will need to register yourself, as the parent, by creating your own User I.D. and Password as follows:

When you go into psrcan.psisjs.com/public/home.html it will automatically show you the Power School sign in page. You will have a choice as to sign-in or create an account. You will NOT SIGN IN instead click on **CREATE AN ACCOUNT** where you will be guided in creating your Parent User I.D. and Password. After you have created your password they will then ask you to insert your child's power school user i.d. and password which has NOT changed; it is the same i.d. and password you already have on file. **(Please remember the I.D. & Password are highly case sensitive)** IF YOU ARE STILL NOT SURE OF WHAT TO DO THEN UNDERNEATH THE SIGN-IN/CREATE AN ACCOUNT SECTION JUST CLICK ON THE BLUE LETTERING AND IT WILL TAKE YOU TO A FULL SET OF INSTRUCTIONS.
