

ASCA's Recycled Uniform Room

Our recycled uniform room offers you gently used school uniform pieces. We accept both the old and new school logos. Bring or send in with your child any clean uniforms that no longer fit or are not needed to the office. Please remember if you wouldn't put it on your child don't send it in, meaning if it is ripped, stained, or **NOT** a school uniform piece we don't want it.

If you wish to visit our "Recycled Uniform Room" to obtain other recycled uniform pieces you may need, please be **NEAT** and **COURTEOUS** for the next person. The volunteers who keep the room neat and orderly sometimes spend hours folding, sizing, hanging, and straightening. There is a fee for the recycled uniforms; the prices are listed below. However, if you have pieces you just want to swap for another size, that is acceptable.
