Dear Parents,

In 2013 the Scholastic Student Athletic Safety Act (Pol.2013, C71) went into effect requiring Students of 6th, 7th and 8th grades who participate or wish to try out for any school sponsored athletics are to have the attached packet completed and on file at the school. This complete packet must be returned the first day of school.

Any student who has not handed in the necessary forms will be placed on a "hold list", meaning they will not be able to participate in try outs, practices or games until all the forms have been returned to the school nursing office. If you have any questions, please call the school anytime and ask to speak to one of us.

Sincerely,

Lorraine Hansen, RN
Lorie Macanka, RN

School Nurses
