

All Saints Catholic Academy
Bayonne, New Jersey
NON-PARISHIONERS AGREEMENT

(not a member of a Catholic Church in the Archdiocese of Newark)

2021-2022

By enrolling my/our child/children in All Saints Catholic Academy, we become members of the school community of All Saints. We reaffirm the threefold purpose of Catholic education-to teach, to build community and to serve. As partners in this educational mission, we agree that:

As the primary educators of our children, we are responsible for the spiritual formation of our children.

As non-parishioners, we agree to pay the non-parishioner tuition rate of \$5,660 for one child; \$10,320 for two children and \$14,980 for three children. Any stewardship monetary donations we make will indeed help the school and parish, but will be on a completely voluntary basis and will not impact our tuition rate.

As members of this school community, we will volunteer time and talent.

As members of the school community of All Saints Catholic Academy, I/we agree:

To work cooperatively with the administration/faculty in all aspects of the educational process and to actively support the Home School Association activities by volunteering assistance and by faithfully fulfilling my commitment to this organization.

To comply with school policies and procedures.

I/we agree to the above terms freely and with the understanding that non-compliance thereof negates my child/children's continued enrollment in All Saints Catholic Academy.
